- ENG1 expiring 23.04.2024
- Powerboat Level II
- RYA Yachtmaster Ocean
- PWC Instructor
- MCA GMDSS GOC
- MCA Approved Engine Course
- ECDIS Type Specific (TRANSAS)

EXPERIENCE

M/Y Neo | 52m | Chief Officer | SRT Yachts | Charter | Feb 2019 - Sept 2022

I joined Neo during a winter shipyard period followed by a busy season and heavy guest use. As a Chief Officer I have gotten frequent drive time and many opportunities to do various berthing and anchoring manoeuvres. I have been responsible for managing overall bridge, safety, deck, and chase boat operations in parallel to all ongoing warranty projects.

M/Y Pavilion | 64m | Bosun | Wavebrink | Private | Feb 2017 - Dec 2018

I was responsible for managing a deck crew of three, along with doing purchase orders, inventory management and navigational watchkeeping. During my time onboard we have successfully concluded a major shipyard period that included a fresh paint job. On multiple occasions I have also had a chance to manoeuvre and navigate into and out of various anchorages under supervision.

M/Y Solar Gain | 46m | Deckhand/Bosun | Seafast | Private | May 2015 - Jan 2018

I have joined Solar Gain at the beginning of the Mediterranean season and have done a total of 3 seasons on board. After the 2nd season I was promoted to the Bosun position. During my time onboard we have prepared the yacht for sale and done multiple yacht shows. As a Bosun I have participated in mooring and anchoring operations, crane operations, planned maintenance of safety equipment, etc.

M/Y Vellichor | 46m | Deckhand | SRT Yachts | Charter | June 2014 - May 2015

Busy charter yacht cruising mainly France and Italy. I joined this yacht a few months before the start of the Mediterranean season. This is where I experienced my first yachting season and honed in my skills. Along with the general Deckhand duties, I have also gained valuable expertise in painting and carpentry.

M/Y Bracing | 62m | Deckhand | Seafast | Charter | May 2014

2-week temp work that involved getting the yacht ready for Monaco Grand Prix.

HOBBIES AND INTERESTS

I am a very active person and enjoy keeping in shape with regular runs and road cycling. I also enjoy snowboarding in the winter and playing golf in the warmer months. I have a natural sense of adventure and I love to use my free time travelling around Europe with my campervan.
